- ✓ **Geometry:**
 - *Angles job*

Homework:

- ❖ **Math Due each day; assigned Monday through Thursday**
- ❖ **Due Friday:**
 - **Reading signatures (in planners)**
 - **Wordly Wise**

Classroom Snacks

We are running low on the snacks available to students who may have forgotten to bring one. To continue to be able to meet their needs, please send your child with a healthy snack to school each day, and make sure they get a healthy breakfast. If we do not continue to receive snacks donated to the classroom (remember, you earn parent hours for your contributions!), I will organize a monthly rotation for students to bring in snacks for the class.

Continent Project

The 9-12 classes are preparing projects for the annual Continent Party (December 15th), and Calico's country is **India**. Students will begin their research soon on an aspect of **India** (clothing, agriculture, etc.), and are encouraged to continue researching their topic at home. We look forward to learning new information and sharing our findings!

Student Assignment Lists

The assignment lists that are sent home each week are a great opportunity for you and your child to check in and see if there is work from previous weeks that needs to be made up. No signature is necessary, but please take the time to look over that list and make a plan of action with your child as to how to make up missing work.

Coming Up:

3 Cans for free Dress Day: November 17th
November Intersession: November 21st – November 25th
