Curriculum Highlights

We are beginning our Cultural Rotation with the next grade. I will be teaching Social Studies to our 5th graders. We will be studying the formation of our 13 colonies. We will be using *History Alive* in our Cultural Rotation Class.

“The training of the teacher who is to help life is something far more than the learning of ideas. It includes the training of character; it is a preparation of the spirit.” By: Maria Montessori

CSU\$ Aquatic Center (Field Trip):

Our students loved the field trip! A warm “thank you” to all of our parent drivers/chaperones! Another warm “thank you” to our Room Parent—Izabelle—for making sure that everything went smoothly!

Student Led Conferences:

We will be having our Student Led Conferences next week (during Parent Teacher Conferences.) These types of conferences provide the student and the parents a wonderful opportunity to see the student’s work. Student Led Conferences also instill an “ownership” and “pride” in the individual work which leads to a more responsible person.

Homework:

All students are required to complete a *Wordly Wise* lesson at home this week, and it is due each Friday. They are also required to read 30 minutes each night and obtain a parent signature. In addition, math homework is to be completed daily.

Recycling:

Please remember to bring in recyclables every Friday morning. We are grateful of your support!
