Classroom News

Classroom News

Meet-and-Greet: I wanted to thank all of the families for attending Tuesday's event. It was an absolute pleasure in meeting the parents and the students!

Cultural Studies Rotations: Next week, grades 4, 5, 6 will begin rotations. This is comprised of our team of three teachers—Mrs. Driskill (Science), Mrs. Kimbrough (World Studies), and Mrs. Zervas (Social Studies).

Homework: This week, each student will have *Wordly Wise* (Language Arts) and reading (30 minutes daily.) Please note that we are in the process of uploading the information for Accelerated Math. Therefore, there will not be any math homework for this week. However, each student will receive a math worksheet, as a review, that he/she will work on during class. *Wordly Wise* will be due on Fridays upon arrival.

**Classroom requirements are aligned with the CA Standards.*

School Events/News

Back-to-School Night: I want to thank all those who attended Back-to-School Night. It was such a pleasure meeting you. I look forward to getting to know your child and your family.

Please see the Montessorigram on CMP's website. This contains a plethora of information on school events. *Recycling Program is mentioned as well as ideas on how to become involved in our school!

We thank you for your continuous support!

School Forms/Handouts

Please make sure that the office has all of the required school forms/handouts for your child.

Equally important, please make sure that the office has all of the required information for Parent Drivers. All of these forms are located on our website under the subtitle: *Forms*.

We believe that communication is vital to the success of our students. Please contact us with any questions that you may have. We will be more than happy to assist you in any way that we can.

Coloma Class 2011-2012

Mrs. Zervas

“Free the child's potential, and you will transform him into the world.”

By: Maria Montessori
