

Volume 1, Issue 2

September 2, 2011

We have had a great couple of weeks of school. It is wonderful to see our students making new friends, learning about their daily jobs, and taking such great care of our classroom!

We are continuing our beginning of the year assessments. We anticipate being able to start our individual work plans the week of September 5th. We have already started our Reading Groups, Writers' Workshop, and cultural lessons. It is so exciting to see such a motivated group of students!

As we mentioned at Back to School Night, students should be starting to fill out their weekly Reading Log. The Reading Log is available on our class web page at www.cacmp.org, under the Garibaldi Class. We ask that all Reading Logs be turned in at least once a week. The Reading Log will be used to assist students when they take their Accelerated Reading Quiz on the computer. To ensure that the book your student is reading has an Accelerated Reader Quiz, please check www.arbookfind.com. This web site will provide you with all the information about your book, including an Accelerated Reader Quiz number. All quizzes will be taken in the classroom. Thank you!

Updates: Birthday Circles

We love to celebrate birthdays in the Garibaldi Class! You may bring in treats for the class to share in honor of your child's special day. Per CMP Policy, treats must be healthy and nutritious. Please avoid providing treats that are high in sugar. Some great choices include: fruit, frozen yogurt, muffins, and fruit popsicles. Please see Ms. Lisa if you have any questions. Please schedule your child's birthday celebration at least **48 hours** in advance. Thank you so much for your cooperation. ☺
