What's Happening In our Class?

The work plans have changed a little. A general copy of the work plan with an explanation is on our class site. You should have received your child's work plan today. These still need to be looked at and signed by you and sent back to school on Monday. If you have any questions, please write it under "parent notes" or call/email me and I am happy to explain further. All of the students began our Albanesi Math and Language program. You will see this on your child's work plan and the blank attachment.

The first week of having homework folders went great. There were a few students that were unable to play the game board on Friday because of little things such as; the Language/Math sheets being incomplete or not getting the parent initials. Please refer to the directions if you have questions, and if more explanation is needed, contact me. Thanks!

We are still assessing students for handwriting, math facts, Accelerated Reader and spelling. These programs/jobs will begin in October.

Attached is the updated Wish List. Thank you to all who have donated and expressed interested in helping get some items.

S.O.A.R.

Be Safe. Offer Peace. Always Respectful. Responsibility

Please continue to talk about SOARING with your kids. They need this at home and at school. I have noticed such a positive difference in your children, as we have daily discussions about how we have been, and how we will SOAR. Thank you for your support ☺

The daily SOAR chart our class uses is on the class site. Please check it out!
