What's Happening In our Class?

You should have received your child's independent work plan that guided them through jobs last Friday. These need to be looked at and signed by you and turned back in. If you have any questions, please write it under "parent notes" or call/email me and I am happy to explain further. This week has gone even better and they are really getting used to having a work plan of their own. There is room at the bottom for teachers to write notes to you. Please make sure to see those notes and encourage your child in areas we are referring to, or the notes may be to just keep you in the know.

Tuesday, we sent your child home with homework folders. Please see the copy of the **homework directions** included in the homework folder. If you have any questions, feel free to contact me. The folders consist of: Homework Directions, Monthly Calendar, Activity list for the month, Sight Words for your reference, and a Language sheet (says Home School Links) for first graders, or a Language sheet and Math sheet for second and third graders. Please call/email me if you have any questions. It is a little bit confusing for some of the kids, but they will get it soon. The directions should be able to guide you so read those first, then contact me with any questions. Thanks!

Attached is the updated Wish List. Thank you to all who have donated and expressed interest in helping get some items.

S.O.A.R.

Be Safe. Offer Peace. Always Respectful. Responsible.
 Please continue to talk about SOARING with your kids. They need this at home and at school. I have noticed such a positive difference in your children, as we have daily discussions about how we have been, and how we will SOAR.
 Thank you for your support ☺
