

Welcome to the 2011/2012 School Year Ms. Mandy's Golden Nugget Class

Dear Parents,

Your child is currently enrolled in a 1st-3rd grade Montessori charter school classroom at the Capitol Campus. As the teacher of this classroom, my goal is to help your child have a pleasant educational experience in a healthy and safe environment.

To tell you a little about myself, I received my teaching credential and Master Degree in Cross-Cultural Teaching from National University in January 2010. I began working with CMP, Capitol campus in February 2010 as a Club M teacher, yard duty, and teaching assistant. The following school year of 2010-2011 I began teaching the Golden Nugget Class. Entering my second year, I would like to let you know we are an awesome family and I am committed to teaching a well-rounded curriculum that will meet both Montessori and California State Standards. I will also strive to provide an environment that will help satisfy your child's need to learn, to achieve, to feel secure, and develop self-esteem. In our classroom each child is recognized as an individual and to have different interests and rates of progress. The learning environment is individualized for the child and not confined by the learning process of other children.

I have attached some things for you to look over before Back to School Night. One of them is a list of volunteer needs for the school year and the other is a wish list. I will include

wish lists in our weekly newsletters with any updates. If you would like to sign up for any of the volunteer rolls you will have the opportunity to do so at Back to School Night. You are also welcomed to bring in any wish list items, but the list will be available on this night as well, and throughout the year. I look forward to seeing you Tuesday for our Meet and Greet from 5-7, as well as Back to School Night on Monday the 22nd at 6:00 p.m.

I am looking forward to a wonderful year together!

Warm Regards,
Miss Mandy Greene
