10/21 Family event—Meet at Yolo Bypass at dusk,  
watch the Bats

10/25 Community Parent meeting 5-6pm

## Curriculum and Instructions

We began our study of Antarctica, and learned about some of the fabulous creatures that live there. Ask your children about some of the animals that make their homes there! We have also been focusing on learning about fish, and are discussing salt water and fresh water fish.

We would like to say thank you to the families who made it to the Hoes Down Festival last weekend. We had a great time with you, and look forward to continuing the tradition next year. The Bat Lady was also a huge success, and the children loved being able to learn about these incredible critters up close—don't forget, the Yolo Bypass family trip is on 10/21.

There will be a volunteer sign up on line starting next week—October 12th. Please go to [www.mysignup.com/goldenpoppy](http://www.mysignup.com/goldenpoppy) and look for the volunteer opportunities that best suit you.

There are spaces to volunteer for time in the classroom, or items on the wish list. This is a great way to stay organized and communicate about what items and times are still needed. If you have any questions, please e-mail our room parent Jaime Jones at [jammin-jamie@yahoo.com](mailto:jammin-jamie@yahoo.com)

The first Kindergarten Parent/Community meeting will be on Tuesday October 25th, from 5-6pm. More information to follow.
