11/21-11/25 intersession
Club M available 11/21-11/22 with reservation only

11/29 Parent Meeting 5-6pm

Curriculum and Instructions

We are continuing with our studies of the continents, and our focus continent this month is North America. We are discussing native people, the tradition of Thanksgiving, as well as the basic geography and countries that make up North America. We will finish our studies by having a small continent party on 11/16, and making Stone Soup to share on 11/18. I would really like to thank Kelly Lewellen for helping out with our Antarctica party– it was great to have you there!

Also, please remember that our first field trip is coming up on 12/2 to the B Street Theatre. If you have volunteered to drive or chaperone, please be on the look out for a small form letting you know if you are cleared to go. We still have two weeks before the field trip for you to complete if needed.

In language, we have begun to study a word of the day. We are choosing a sight word from our first list, and finding ways to use that word in a sentence throughout the day. So far we have covered 'the', 'and', 'many' and 'a'.
