**9/23 Invertebrate Party**

**9/24 Little Houses Celebration**

**9/27 Fall Picture Day**

**10/1 Hoes Down Festival**

## Curriculum and Instructions

Things have really been picking up in the Golden Poppy classroom! I would really like to thank all of you for showing up for the Back to School Night last week, and it was great to touch base with you. We have been studying trees, land forms, and invertebrates for our cultural lessons. **This Friday, 9/23 we are excited to celebrate with an Invertebrate Party. You can send your child dressed as an invertebrate. We will be dancing, parading, playing cooperative games, and eating invertebrate inspired snacks on this minimum day.**

This Wednesday, is our International Day of Peace, and we will be celebrating with an assembly, songs, and a moment of peace in the morning. In the afternoon, the kindergarteners will be asked to make a wish for peace, and blow it into a bubble and out into the world.

Conferences are coming up! There will be a link shortly on the webpage where you can sign up for conference times. This is a very important time to sit and discuss your child's progress and placement in our assessments. I look forward to seeing you!

This Saturday, 9/24, Ms. Sonja will be doing Story Telling and Folkdance lessons at a wonderful celebrations called 'Little Houses' in Coloma. This is a family event, and here is the address to view the flier.

We would love to see you there! <http://www.littlehousesfestival.com/index.html>
