Tuesday 9/13 Room Parent meeting

Our Back to School Night has been rescheduled for Wednesday 9/14 at 6pm!

9/16 Spirit Day—Tie Dye

Curriculum and Instructions

This week we are focusing on our math and language work. We are beginning to work with letter sounds, and in the language program for reading readiness. It's been so much fun to watch the children get excited and progress through the levels.

We have also been doing an exciting study of food and nutrition, and making sure that we are eating balanced meals. We encourage you to support limited sugar intake, particularly in the morning, as we have been discussing how protein helps our brains work, and sugar can cause poor concentration for some people.

Our Back To School Night has been rescheduled for next week, Wednesday the 14th at 6pm, and I look forward to seeing you all there. Please remember this is an adult only event, so please arrange for child care. It will be a great time to cover our policies and procedures and answer any questions you may have.

Have a wonderful week!
