

What's Happening In our Class?

Our grade level group lessons started this past Monday. The first graders focused on fractions, sight words, writing a complete sentence and reading. The second and third graders worked on story problems, sentence editing and grammar. The big bang theory was also introduced to the students.

Homework is starting!

All students are required to read or be read to and do Rosetta Stone on most nights of the week. Also, this month's 'special' homework is to bring in addresses of some friends/relatives that the students can write to. We will discuss the homework requirements with the students as well.

Rosetta Stone at home:

Log-in: 1 + first two letters of first name + five letters of last name (ex.- 1bosmith)

Password: 123cmp

S.O.A.R. - it's the school's motto

**Be Safe. Offer Peace. Always Respectful.
 Responsibility**
