

### What's Happening In our Class?

The new students have been introduced to our 'morning mini', which is a quick language/math activity as they enter the classroom in the morning.

The assessments are coming to end and now the students will be given lessons in their area of need.

### Please Note:

Each child needs a pack of 5 dividers with tabs to complete the materials needed. I forgot to put this on your summer list. Sorry.

### S.O.A.R. - it's the school's motto

**Be Safe. Offer Peace. Always Respectful.  
 Responsible**

Please talk about SOAR-ing with your kids. They need this at home and at school. I have noticed such a positive difference in your children, as we have daily discussions about how we will SOAR.

Thank you for your support ☺
