- *An adequate amount for 18 students*

Also, item for "Person of the Day" sharing should be ONE item that is EDUCATIONAL.

## Dates to Remember

January 27

Report Cards go home

Minimum day

February 3

100th day of school

February 8

Watch me work night

February 15

Field Trip: Cosumnes River Preserve

February 24

Redwood and Gray Whale community  
breakfast

## What have the students been doing?

This week, students finished up computer assessments with STAR reading. Most everyone is enthusiastic about reading, due to setting Accelerated Reader goals last week. It's been great to see the progress the students have made!

In math, third graders reviewed the Decanomial in preparation for further studies with it next week. Half the second graders learned the checkerboard for multiplication, and the other half worked on number sense. First graders also worked on number sense—understanding quantity. Math assessments revealed the need for work in this area.

In science, we looked at the parts and functions of the plant, planted more bulbs around the school, and combined this with our art of the week—a sharpie drawing of the plant with all its parts, plus watercolor. Finally, in geometry, everyone worked on their own skill charts. 3rd and 2nd also started working on Accelerated Math skills, while 1st began working on daily language.

—Ms. E

## Wish list

**REALLY NEED!!— Containers for liquid white glue that won't dry out and can be re-used over and over!**

**ALSO! Sponges—desperate!**

**Potting soil**

**Water color paints**

**Reams of printing paper**

**Medium rectangle baskets**
