

# Valley Quail Newsletter

Teachers: Ms. Debbie and Ms. Rachel

Date: January 20, 2012

Email: [dmmerritt@cacmp.org](mailto:dmmerritt@cacmp.org)

Phone: 916-325-0910 x104

## General Information

A giant thank you to all who helped the Co-op field trip be successful. A very special thank you to Isabelle, our field trip coordinator for taking care of the many details involved in making it successful.

### Wish List Items

Volunteers who want to laminate brand new language materials!

## Dates to Remember

### January 23rd

CAC 5:30, Soul of the School 6:00 pm

### January 27th

Free Dress/Minimum Day  
Pancake Breakfast  
Report Cards

### February 1st

Kindergarten Watch Me Work Night  
5:30 - 7:30 pm

### February 3rd

100th Day of School

## Curriculum and Instructions

Our study of Africa has become visually beautiful due to Nana's mom, Isabelle, who is sharing her African clothing and jewelry. She has come in after school and hung it on our walls. Our room looks like the Crocker Art Museum! Come in and see it if you haven't already. And don't forget to ask your child if they can count to ten in Swahili. They can do it much better than I can.

Language continues to be a big area of growth in our class. We are also excited that Ms. Bernie has supported our growth by purchasing new language materials for our room! Once they are laminated and cut, they will be ready for the children to use!

Watch Me Work Night is coming up soon. It is a fun night to drop in at any time between 5:30 and 7:30 and let your child show you their favorite job (or two or three). This is your child's night to shine, so please mark it on your calendar.

## *Miscellaneous*

### Rosetta Stone

A few parents have asked me for their children's login and password so they can get working on Rosetta Stone at home. If you would like to support your child at home, their login is 1, then two letters of their first name, then up to five letters of their last name (Valley Quail would be 1vaquail). Their password is 123cmp. Just 15 minutes a week will find your child meeting the benchmark!
