

## **CMP Capitol Campus Dress Code**

Montessori education is concerned with the inner development of the child's mental, emotional, physical and spiritual being. As such, we seek to limit undue focus of attention on external appearances. After much discussion about the relative values of uniforms and individual freedom, CMP has adopted the following middle path Dress Code. We believe that your child will be happiest when dressed in casual, comfortable clothing. Parents and students often like school uniforms because they make it easier to get dressed in the morning and they set a more academic tone at school. Each school campus will maintain clothes closets to recycle uniforms and assist families in financial need. To donate or request clothing, please contact the school office.

In general, students are expected to wear appropriate clothing which is clean, fits properly, doesn't prevent them from participating in any school activity and is not distracting. All clothing should be neat and in good condition, free of commercialism or distracting media messages. We define commercialism as characters, symbols or slogans referring to products, companies, movies, video games, television shows, etc. Distracting media messages include, but are not limited to, movie and television characters, derogatory comments or slogans, gruesome or violent pictures and/or obscenities. This type of attire may be a source of distraction, cause some children to focus on externals, and may cause distress for those who are unable to afford rapidly passing fads. We believe that by limiting commercialized and distracting media on our campuses, children will feel more comfortable and able to focus on exploring their learning environment.

The following guidelines reflect CMP's general dress policies. Individual campus policy may vary slightly based upon Campus Advisory Council (CAC) recommendations.
