KCRA Kids Can Food Drive

The Jellyfish class is in charge of the Carmichael Campus food drive. Beginning this week through November 18th we will be collecting canned goods and other non-perishable items for donation to the Carmichael food closet. This might be one of the most significant things we do this year in regard to serving others (as opposed to ourselves).

We are encouraging all parents to discuss this event with their children and to pick up an extra item or two when you are at the grocery store. The intrinsic reward of helping others with no gain to ourselves is an invaluable lesson to teach your children. Your support is greatly appreciated!

7 Habits of Highly Effective Volunteers

If you have not had the opportunity to attend this informative presentation, one will be held on Monday, November 7th from 6:00-7:00 p.m. in room 510. This is a requirement for adults wishing to volunteer in the classroom or drive on field trips. We look forward to seeing you there.

Voice Dialer Messages Posted on Website

Beginning with last Thursdays voice dialer message, the text of the message will be posted on the website (under Campus News) to allow families to check in the event the message was in complete or not clear.

CAC Meeting

The next Campus Advisory Council (CAC) meeting will be held in the Gibbons room on Thursday, November 3rd at 5:30. All interested adults are encouraged to attend. Feel free to bring your dinner with you if you wish. The meetings generally run about 2 hours.
