9/23/11: Walk-a-Thon
Minimum Day

A Note from the Principal ~

Dear Carmichael Families,

On Thursday, Gary Bowman, Executive Director, and I will conduct a facilities meeting which will include a presentation on 1) facility options for charter schools, 2) an update on our facility improvements and the challenges at the La Sierra Community Center, and 3) a Question & Answer period. We will begin at 6:00 and end by 7:30. We will gather in the Gibbons 700 West meeting room which is next to the CMP Central Administration office. We ask that children not attend due to the length of this meeting. We look forward to seeing you there to hear about all of the great things happening at the Carmichael Campus.

Our Campus Advisory Council (CAC) will also meet that evening before the presentation. Normally CAC meets the first Thursday of each month at 5:30. Due to the Facility Presentation at 6:00, I would like to start the CAC meeting at 5:00. You are welcome to bring something to eat if you will not have time for dinner prior to the meeting. We will discuss the upcoming Walk-a-Thon fundraising focus as well as other events coming up in the next month or two. All adults interested in supporting our campus are encouraged to attend.

I want to take this opportunity to apologize to any of you who did not learn of the Back to School Night. It is our normal routine to have the dry erase boards out at the loops as a reminder, and I am sorry for this oversight. If you were unable to attend, please contact your child's teacher/s. They will be happy to meet with you to go over the classroom information packet and answer any questions after school one day. Please email them to make this request (see classroom web pages for teacher email links).

We are very excited about our upper elementary and middle school volleyball starting up in September. We hope to have games starting the end of September. Hope you will all join me to cheer on our teams.

Have a wonderful week!
~ Ms. Kim

Lunch Program

If you are interested in purchasing lunch for your child, check out the website for Lunch Masters at <http://thelunchmaster.com>.

Recycling is now collected on Thursdays – thank you for modeling conservation for your children and for supporting the 6th grade Sly Park field trip.

If you would like to carpool with other families, please email the Carmichael Office, cmcmoffice@cacmp.org. Include your name, phone number, child's classroom, and the area where you live. We will gather the information together and connect up the families.

PARENT JOB BOARD

- *Parent Workday Coordinators
- *Book Fair Coordinator and Workers
- *Fundraising Chairs
