

VOICE DIALER MESSAGE

2-2-12

Good Evening, Families,

This is Ms. Kim with an important announcement regarding morning and afternoon parking. We are asking all parents who park on the side streets or on Gibbons in order to walk their children onto campus to be very careful not to park in front of driveways or too close to the trash cans on Friday pick-up days. The neighbors have complained to Carmichael Parks that their trash cans are not being emptied when the truck is unable to get close enough. I'm sure you can imagine their frustration!

We are opening up several more parking spaces on the side lot so parents can park and walk in through the 700 gate. We will keep 7 spaces close to the office for parent parking during non-loop times if you have a need to come into the office during school hours. These are currently marked as CMP Staff (they will be re-marked in the near future).

Thank you so much for your cooperation and understanding as we continue to improve on our loop and parking procedures.

I hope you are able to attend the pancake breakfast tomorrow for a delicious start to the day, and Have a good night.

Ms. Kim
