

Voice Dialer Message ~ October 25, 2011

Good Afternoon Carmichael Families,

The Cookie Dough & Scone orders will be distributed after school tomorrow. For the pick-up process, please read the Oct. 24th memo under the Campus News. It is important to note that ALLS ORDERS ARE FROZEN AND MUST BE PICKED UP TOMORROW.

Help is needed for sorting and distribution from 11:00 to 4:00. If you are able to help, please call the office so we know how many volunteers will be available.

~~~~~

Remember to VOTE today on the Clorox site as well as by text message. A flyer was sent home today with the link and numbers, and it is available on the website under fundraising. I have included a link on our campus main page for easy access. Also, putting the Clorox number under contacts and saving the code under quick text makes it very easy each day.

There is stiff competition for these funds, so it is critical that you, family, friends, and co-workers vote through both venues each day.

If you have difficulty accessing the website, keep trying. I was finally able to vote on the website last night about 8:00.

Thank you for supporting our Campus in our endeavor to raise funds for our much-needed playground!

Have a wonderful evening.
