

Easy Fundraising as You Shop

There are numerous ways to earn funds for our school at **no cost** to you and are **easy to do**.

To access a variety of retailers, go to www.eScrip.com and use our school ID 9955328 to **register your debt and credit cards**. A percentage of purchases will automatically be contributed to our campus by the merchant.

If you have a **Target credit card**, be sure to enroll in their Take Charge of Education program at the store or online at Target.com REDcard: Take Charge of Education. Target will donate 1% of your REDcard purchases at Target and Target.com.

Also, pick up a **Raleys/Bel Air/Nob Hill** card from the office or at the market and have it scanned each time you shop. **Safeway** also has a similar program you can enroll in. They will donate a percentage of your purchases to the school.

Other Fundraising Options

Working **CMP BINGO** on Thursday nights not only earns funds to go towards field trip costs or the classrooms, but earns you parent hours. BINGO runs all year long, during intersessions and summer break, so there are many opportunities. Please refer to the information on the back or go to the web site for more details on how to get started.

Several corporations do **matching donations** (Intel, HP, and Wells Fargo, to name a few). Check with your company to see if they have a similar program.

Thank you for your support!
The children benefit from every dollar raised!
