## *Pasta Fundraiser*

The 3<sup>rd</sup> annual pasta fundraiser is underway! Starting TODAY, the Aquamarine class is hosting the Fun Pasta Fundraising fundraiser. Pasta catalogs, order forms, and other information are going home today in Thursday folders. This fundraiser is full of potential and can earn a lot of money for our classroom. Order forms and money are due Wednesday, November 16<sup>th</sup>. We set a goal of 10 items for each student to sell. The student who has the highest total sales wins a \$25.00 gift card to Toys 'R' Us! Let's make this fundraiser a success! Extra order forms and sample packages of pasts to view are in the office.

## *Continent Party*

The Continent Party is just a few days away! The Aquamarine students have been very busy learning about Europe and getting ready for this event! Students have learning about the different countries, famous artists and art work, flags, popular dogs that originated in Europe, and inventions. Thank you to all of the parents who have helped to make this a great event. Students will be "traveling around the world" Monday, October 31<sup>st</sup>. Students are asked to come to class in jeans and uniform shirt. Students will change into their costume here at school. The splattered shirts look fantastic. Our little artists will be a hit!

## *Craft Fair & Watch-Me-Work Night*

On November 30, 3:30-6:00, CMP Elk Grove will have our annual watch-me-work night and craft fair. This is a great event where you can have your student walk you through the class, show you their work, and then peruse the fabulous craft fair. There you will find a variety of crafts perfect for the holidays and any other occasion. If you have any crafty talents or have family or friends with crafty talents, we are looking for donations for the craft fair. This is a great way to earn hours so many of you are desperately seeking. If you have a great crafty idea for the class, please let Ms. Angie know! We are excited to have parents and families join us for this great event!

## *Sharing Calendar*

The sharing calendar for November is going home today. Please take a look at the calendar and go over your students share day with them. The class is doing a great job of learning how to be a great audience and public speakers.

## *Nimbus Fish Hatchery*

Second grade students are heading off to the Nimbus Fish Hatchery on December 13<sup>th</sup>. Field trip forms for this trip are going home today. In order to plan properly, we need permission forms back by November 10<sup>th</sup>. If you wish to participate on this trip, please make sure ALL clearances are turned in PRIOR to the return of the field trip form. We have standard policies and procedures we have to follow to make each trip fun, memorable and SAFE! Thank you for making this happen!

## *Weekly Work Planners*

Due to the extent of our European studies this week, students have not been using our normal weekly work planner. There will not be a weekly work planner in next week's Thursday folder.

## *Book Report Presentations*

The book report presentations have been tremendous! Each student has worked very hard studying and learning about different animals of the world and from the European continent. It's always enjoyable listening to students present what they have learning and share their projects. Good work Aquamarine class!

*Kids Can Food Drive ~ Cans Accepted Now!*

*No School Friday, October 28<sup>th</sup>*

*Continent Party ~ Monday, October 31<sup>st</sup>*

**NEW** *Book orders due November 14<sup>th</sup> (forms went home today!)*
