November 17, 2011

## Thank You, Thank You, Thank You!

*We want to send out a great big thank you to our Aquamarine families for all of your help and support! We appreciate your dedication to your student's success in the classroom and participation in events and fundraisers. Your efforts are noticed and we are "Thankful" For the opportunity to work with your students each and everyday!*

### *Pasta Fundraiser*

Our pasta fundraiser has come to an end and we are busy organizing orders and calculating our profit. We know that fundraising is not the parents favorite thing to do, however, it allows for the "extra" things that make your students educational experience so memorable. Our next class newsletter will have the total profit calculated as well as announce the student from the school who has the highest total sales. *(It might be an Aquamarine student) ☺*

### *Computer Speakers*

Do you have a pair of old computer speakers you are not using right now? If you have a pair of speakers that can plug into a computer, we can definitely use them. They don't have to be fancy, just in working condition!

### *Craft Fair & Watch-Me-Work Night*

On November 30, 3:30-6:00, CMP Elk Grove will have our annual watch-me-work night and craft fair. This is a great event where you can have your student walk you through the class, show you their work, and then peruse the fabulous craft faire. There you will find a variety of crafts perfect for the holidays and any other occasion. The Aquamarine class will be making ornaments in class for this event.

### *Harvest Luncheon*

Our Harvest Luncheon was a great success! We want to say thank you to all of our family and friends who were able to join us in this special event. Along with the great company, we had great food too! Thank you to the Roccucci family for bringing in all of the ingredients for our pumpkin cake. The students had a fantastic time learning about measuring, cooking skills, and the importance of food safety while making these tasty desserts. We also want to say thank you to our two bird roasters, Veronika's and Sierra's moms! You rock!

### *Nimbus Fish Hatchery*

The nimbus fish hatchery is scheduled for Tuesday, December 13<sup>th</sup>! The salmon run looks great this year so there is a really good chance that we will have a good viewing of salmon. This will be exciting!

### *Homework*

Homework will not be going home this week due to the holiday. Take the extra time to read and enjoy the time off!

### *Sweaters*

The weather is changing and it is getting colder. With this change, we notice an increase in the runny noses and coughing. To help minimize the growth of germs and bacteria, the classroom tends to be on the chilly side. For this reason, having a sweater to wear in the class would be helpful.

*Book orders due November 14<sup>th</sup>*

*Minimum Day Friday, November 18<sup>th</sup>! Dismissal @ 11:45*

*No School 11/21-11/25*

*Watch-Me Work Night & Craft Faire 11/30 3:30-6:00*
