## *Walk-a-Thon Is Tomorrow!*

Tomorrow is the day that many of us have been looking forward to. Students will participate in the walk-a-thon from 11:30-3:00. If you have sent in money for game and raffle tickets, they will be available tomorrow. If you have not purchased tickets for your student to participate in the carnival games, you can send in money with your student to purchase them tomorrow. If you have not turned in your student's pledge envelope, please do so tomorrow. All parents are invited to join in the festivities, bid on baskets, and have fun with our annual walk-a-thon. We can use all of our families support in this event!

### *Conference Sign-Ups*

It's that time of year ALREADY! It's almost time for parent-teacher conferences. Next week there will be a sign-up on the door. Come early and sign up for a time that is most convenient for you. Conferences will be held Wednesday, Thursday, and Friday, October 12-14. These are minimum days and students will be dismissed at 11:45.

### *3<sup>rd</sup> Grade Maidu Trip*

The third grade Maidu field trip is scheduled for Tuesday, October 18<sup>th</sup>. Due to the overwhelming support from our parents, we have to limit the number of drivers and chaperones. Last week there was a letter that was sent home explaining the situation and the drivers who will be attending. We thank you all for your support and apologize for any inconvenience.

### *Weekly Work Planners*

Weekly work planners went home last Friday. The weekly planners will typically be sent home on Thursday in the Thursday folders and are due the following week. Please make sure to take every effort to sign and return the weekly work planners in a timely manner.

### *Book Orders Due*

Thank you to the Rocucci family for taking on the job of organizing and ordering the book orders. Our first set of books are on their way. The last set of book order forms are due TOMORROW!

### *Sharing Calendar*

The October sharing calendar is going home today in the Thursday folder. Take a look and see when your student will be sharing. The calendar is also posted on the web if the calendar is lost or happens to disappear. ☺

### *Book Reports*

The first book report is going home today. The book report and/or project is centered around our continent for the Continent Party. We are studying Europe this year so spend some time finding an interesting animal. Take a moment to look over the information sheet for full details.
