Winter Performance Details!

Our performance of the *Twelve Days of Holiday Break* has arrived and will happen at 5:00pm tonight. Please make sure your student is at the church about 10 minutes early to make sure we can get the kids situated as close to 5pm as possible. We hope to start at 5pm, but it could be 5:15pm depending on arrivals. **It is VERY important that you bring your child in costume with their props or signs, because that is the only way they will have them for the performance.** We will be providing programs for you to take home (thanks to a donation from the Wong family). We are only printing enough for one per family, so please only take one. We are running a skosh low on potluck items and the potluck is as successful as the parents make it - so please bring something to share with everyone so we can celebrate after the performance. We are low on savory items, and have enough sweet stuff! There will be designated tables when you arrive for you to place your dish when you arrive for the performance. The doors will be open at 4:30pm so if you would like to come early and reserve a seat, that would be a good time to do so! We have never done this performance before, and have worked very hard to prepare to entertain your family and friends. Thank you for your donations and efforts, it is what makes these events possible. Anytime you spent supporting us can be counted as parent hours.

NO PARKING AT THE CHURCH!!!!

We were lucky to have the church donate the space and stage for our performance but we do not have clearance to use their parking lot. Please park at the school and walk over! It will be dark so bring flashlights for your safety!

B Street Theater Field Trip

Next Thursday we have been scheduled to attend the 9:30 am showing of the Snow Queen at the B Street Theater. If you are driving or attending you may come and stay when you drop your child off. We will be having a meeting with the parents outside before we excuse everyone to head over to the show. Due to the cold weather we will not be eating our lunches at any nearby park and will come back to eat lunch in our classroom. So you may send warm-ups if you would like that day and the lunches do not need to be fully disposable. We like to teach the children about attending the theater, so we all get dressed up in more formal clothing to help them learn about the experience. Please send your child in a nice clothes and we will be sure to be extra careful if we do venture out to play. We look forward to seeing you next Thursday!

And the good news is...

The holidays are upon us! We will be having our gingerbread making party with our buddies on the last day of school before break. After the party we will be having a pajama day and be watching *The Polar Express* and doing crafts. If your child would like to wear their pajamas they are welcome to do so! We need a parent to divide up the candy equally before the party for our gingerbread houses, so if you need parent hours come see Ms. Nicole or Ms. Whitney for that job.
