

ALL ABOUT ME

Name _____

Due Date: September 23rd

Your first research project focuses on you, the student. We want to know what you think about, your opinions, and more about your life. Below there are five options. In addition to writing your autobiography, you need to choose one other task to complete and to share with the class. Your final project needs to be polished and ready to share with the class. While you may have an opportunity to work on this project in class, this is an assignment that is to be completed at home. It is due on September 23rd. Be prepared share your project with the class.

Write an essay about your life. Include any details that you feel are important in creating who you are today, two pages minimum. This project needs to be hand-written, skipping one line.

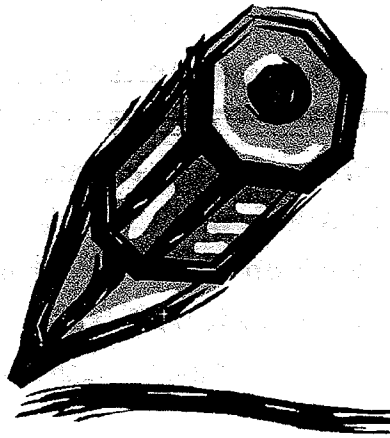

Choose 1 to complete:

1. Research a famous person who shares your birthday. Create a poster telling about this person.
2. Create a family tree, dating back to at least your great grandparents.
3. Make a poster describing a movie or food review that your family enjoys. Be sure to include lots of details that support your review.
4. Choose a topic about which you have a strong opinion. Create

an artistic representations explaining your opinion. Explain your opinion and outline why you feel that way.

5. Use your imagination to create a personal piece of art that represents something about you or your life. Some ideas are: children's book, diorama, poster, poem, song, mobile, or clay figure.
