

Garnet Classroom Weekly News

Ms. Debra & Ms. Savanna
November 3, 2011

A huge **thank you** to all the wonderful parents that generously gave their time, effort and money to help the Garnet classroom transform into Africa for the day. Visitors enjoyed all the great food that you made for the event. We know it was last minute, so we can't thank you enough. The art, book reports, and artifacts that were beautifully displayed helped to make our classroom come alive.

Don't forget about our **Kid's Can Food Drive**. The box is located outside our door.

PLEASE check the outside hooks for any jackets, sweaters, or lunchboxes. Items left out will be donated at the end of the month. Thank you.

Favorite Fall Foods Extravaganza! We are eager to taste the different dishes prepared by students, and parents. Our festivities are scheduled for Friday, November 18th. We are hoping that there will be a variety of dishes for the students to try. In an effort to cut down on repeat dishes, please let Debra or myself know what you can contribute ASAP. This will be a delicious event and we hope you are able to join us in our celebration.

Homework - In addition to the homework packet that we send home in Thursday folders, students are responsible for a reading log that reflects a minimum of 20 minutes a night, as well as sentences using their spelling words.

Homework (Lesson 6) is due back to school tomorrow.

Spelling words are posted on the CMP website for your review. Please assist your student in studying his or her words.

No SCHOOL on Friday, November 11
in observance of Veterans Day.

Thank you for your support and have a wonderful weekend!

Ms. Savanna & Ms. Debra
