December 15, 2011

Before leaving for the day, PLEASE have your student check the coat hooks immediately outside of Room 8 for his or her coat(s). Forgotten coats will get easily damaged, soaked, and may not be there next month. Items left will be donated to the Elk Grove Closet at the end of the month.

Winter Performance - Tonight is our winter performance at Joseph Kerr. Doors open at 7:00pm.

Tomorrow, we are having a **Pajama and Cookie Exchange Party.**

The children are to wear their favorite clean pajamas. They also need to bring **22 homemade cookies** and their special **recipe** to exchange with other students in the room. Please leave an **empty container** at school for your child to gather their new cookies in. We will be watching a holiday movie. It is going to be a fun morning, with **school**

Homework over the break: Please consider math flash cards as a stocking stuffer.

3rd Grade: Please help your third grader learn and memorize their multiplication facts 1-100 over break. As we move into the New Year, many of our math problems and lessons will incorporate their multiplication skills. If your 3rd grader is solid on Multiplication, please review division facts.

2nd Grade: Please help your child brush up on basic math facts, double digit addition with regrouping, and subtraction with regrouping.

1st Grade: Please work with your student on basic addition and subtraction. We have had lessons on regrouping, however 1st graders need extra practice before returning to school in January.
