Cultural Studies - We are very excited to have started our Cultural Rotation this week. During the month of September your child will spend an hour everyday, Monday through Thursday, going to different classrooms for History, Zoology, Science, Geography, Botany, Social Studies & Art. Ask your children what they did for "Cultural Studies" each day.

Lunch- CMP's hot lunch program will be offered again this year. We'll have more details on this later this month. Just a reminder, if your student is receiving a hot lunch through the lunch program, they still need to **bring a snack** to school for the morning break.

Warming Up Food - Thanks to all the parents who have made the effort to send their child's warm food pre-warmed in a thermos.

Thank you for your support and have a wonderful weekend!

Ms. Debra, Ms. Jessica, and Ms. Savanna
