

Middle School Supply List

Individual Student Supplies. Every middle school student will need to have the following supplies with them on the first day of school:

1. Zipper binder. The zipper binder your student chooses must have a three ring binder insert in it. This is a critical tool for your student to keep his or her assignments organized.
2. Backpack. This is another critical tool for middle school. Since your child will be rotating between several classes in one day, in essence the backpack acts as a walking locker for your student. Roller backpacks are acceptable.
