

# Math Study Guide

## Cycle One

### August 22 to October 7

*Pure mathematics is, in its way, the poetry of logical ideas. ~Albert Einstein*

Each week you will be responsible for 4 assignments and either a quiz or test. Every day a new assignment will be assigned, and will be due the next class period. Check to see if your answers are correct in the answer guide. Put a check mark next to each box when you have completed an assignment.

Place this sheet in a page proctor and keep in your notebook
