Field Trip Meeting

We would like to invite all middle school families to a meeting on Monday, January 30th to a follow-up meeting regarding this year's field trips, specifically the funding of the trips. In addition to addressing family payments, we will be discussing the funds that have been raised thus far and how we hope to boost our fundraising efforts.

Your attendance at this meeting is imperative for the success of our immersion trip programs. If you will not be able to attend, please [contact us](#) before the 30th so that we can keep you informed.

A Special Thank You

Upon returning from winter break, our class was surprised with the donation of four study benches to add to our classroom. Alexander D., a former student, lead his boy scout troop in the building of the benches as part of his Eagle Scout project. We would like to extend a gracious thank you for the hard work. We have already added the benches to our classroom and they have begun serving us well in morning meeting as well as lessons.

Quote of the Week

Nonviolence is a powerful and just weapon which cuts without wounding and ennoble the man who wields it. It is a sword that heals.
