Ms Karen and Ms Debbie

Walk-A-Thon

Tomorrow is the big day! Make sure you stop by and bid on the lovely baskets each classroom has prepared! Remember to buy tickets to play games and buy snacks.

Rosetta Stone

Language changes have been made. Students are expected to do **AT LEAST** two lessons a week. This can be done at home so that additional time can be spent on other jobs. Log on to the CMP web site, locate the technology links and click Rosetta Stone.

K-8th

Everyone has their password and understands how to logon. Students are given 15 minutes a day for computer work. If this isn't sufficient time, these lessons can be done at home. We ask that you sign their planner so that we know that the assignment was completed at home.

Curriculum

This week we focused on using quotation marks and apostrophes correctly. We also covered sentence analysis with subject/verb/direct object pattern. In math, the 4th graders are learning how to estimate answers and the 5th graders are learning about comparing and ordering decimals. We received our spelling books. We will begin using them next week.

Character Development

We have been working on the trait of **responsibility**

Reminder

In order to have free dress on Friday, students need to arrive to school on time, not leave early, and be in uniform Monday through Friday.

Parent Conferences

October 12,13,14
Minimum Days

Look for the sign up sheet outside of the classroom on Monday. If you have questions about the times, don't hesitate to call or email.

Homework Corner

Homework is due at 8:30 on Fridays.

*Read at least 30 minutes. Record on reading log sheet or notebook paper.

*Write a summary of what you have read.

*Study math facts

*Wordly Wise homework: We are finishing Week#1 on Lesson #3 (See Ruby Handbook)

*Math : Any work not completed in class.

Rosetta Stone: Begin lessons!

K-8th: Begin keyboarding lessons
Have planner signed every day.
