## Avid Reader

The Walk-a-Thon is in two weeks. Our Avid reader basket is starting to fill up. Thank you to the families who have donated items so far. As of right now we have a back pillow, book light and some great hard back books. We could still use some reading essentials. \$5 gift cards to Barnes and Nobel or amazon.com are always a great addition.

We still have time slots that need to be filled for our walk-a-thon. Come and help out and enjoy a family fun event at school. Parent helpers make events like these such a great success.

Reading logs: on the reading log there is a section for Accelerated Reader quiz #. This is an online comprehen-

sion program for kids to take reading quizzes at school. To find a quiz # for a book your child reads at home, go to [www.arbookfind.com](http://www.arbookfind.com) and search by title, author or ISBN number. Your child can bring that in and take a quiz during school hours.

Rosetta Stone is back. We are currently using this program in class, but we also encourage its use at home too. If you would like to access it at home the link in on the CMP website (see upper right hand link) and you can get the log in from the teacher. You just need headphones with a microphone and you are good to go. If your child was enrolled last year, the log in and password did not change.
