Graduation Update

We have set the date for graduation as Wednesday, June 10th at 9:00a.m. The t-shirts have been ordered and they are not costing as much as first expected which is great news. We will use the money that is left over to rent chairs and purchase decorations, cake, and refreshments for the celebration. We will need parent volunteers to help with the set-up the morning of graduation and decorating our classroom on Tuesday after school. We will post a sign-up outside of our door when we know more.

Water Bottles

The weather is getting hotter and this makes it all the more important for our children to remain hydrated. We still have many students come to school without a water bottle. Unfortunately, the water fountain at the school has been broken a lot lately and is not always available for drinks.

Free Dress Fundraiser

The fundraising committee is selling free dress passes for the last week and a half of school. Our students enjoy wearing free dress and this is a great opportunity to help out our school. Forms went home in the Thursday folders last week. If you need a new one, please see Ms. Amy or Ms. Nicole. The cost is \$5.00 for the entire week and a half or \$3.00 for the last 3 days of school.

Donuts with Dad

We would like to take some time to celebrate the dads and all that they do. We will be having a special breakfast for the dads on Tuesday, June 9th at 8:15. Put it on your calendar! We hope you can make it!

Pizza Party

We had the most cans turned in for the Food Drive in November. We will be having a pizza party on Friday, June 5th. Your student will not need a lunch for that day, but you may want to include an extra snack.

Important Dates

June 9 - Donuts with Dad 8:15
June 10 - Kindergarten Graduation 9 a.m.
