November 3rd, 2011

Continent Party was a Success!

Our Antarctica room was beautiful and we had a fun time visiting other continents. We tried Japanese food, learned about African games, and much more! Thank you to all of the parents who hosted during continent party. Your time hosting made it possible for our penguins to stick together as one group. We are also very appreciative of the donations and time spent decorating our room. The igloo was a hit! It truly was a winter wonderland!

Autumn is Here...

And the leaves are changing! In cultural this month we are looking at the fallen leaves. We went on a leaf walk to collect leaves and we studied their colors and shapes and textures. Then we made a rubbing of the leaves. You may want to try this with your child at home too. Lets all appreciate the changing colors and changing season! Happy Fall!

Cultural Celebration

With the changing season come many cultural celebrations. In addition to studying and observing the changing environment we will also be learning about the cultural celebration of Thanksgiving. This is a time to learn about where our food comes from, the people who originated in North America, and giving thanks to our friends, family, and neighbors.

Water Bottles!!!!

Please make sure your son or daughter is bringing a water bottle to school everyday. Our little ones get very thirsty, and we will no longer be providing cups for water. It is disruptive to your child's job time if they need to leave the classroom for a drink of water. It is most helpful if they have a water bottle at school to use. Thank you!

B Street Theater!

Soon we will be taking a trip to the B Street Theater on December 15th. This is a favorite field trip among the kindergarten children and teachers! The more parents who would like to attend and drive the merrier! We have received extremely strict orders from the administration that if you do not have your required paper work to drive into the office by **Wednesday, November 9th**, you cannot drive on this fieldtrip. The permission slips for this trip were sent home last week. If you need one please see a Diamond class teacher. This field trip often fills up fast, so please be aware of any paperwork that needs to be completed in order to participate. Thank you for your promptness!

Boxes and Coats

Now that the weather has cooled down it is important to send your child with a sweater or coat. Especially on those chilly P.E. mornings! To help with cubbie clutter, we can help Diamond class friends hang their coats and lunch boxes on their hook outside. Thank you!

And the good news is...

The Holiday Season is upon us! This is wonderful season to spend time with your family sharing traditions or making new ones! We are thankful to have such loving and generous students in Diamond class. We look forward to seeing them everyday!

Upcoming Snack/Sharing

11/4 Adielle
11/7 Alex
11/8 Lexi
11/9 Aubrey
11/10 Beckam
