

It's All About Me

Name: _____

Date: _____

Your first research project of the year is here! Now is your chance to tell us all about who you are as a person; your likes, dislikes, interests, hobbies, and so much more. This project includes both a written and a project portion. The written portion will be graded as a writing assignment, while the project will be what you present to your classmates. There will be some time spent in class working on this assignment, but the majority of the work will be completed at home. The assignment will be due on Friday September 23rd and all students should be ready to present their projects to their class.

Writing Assignment:

Write at least a two page essay telling me all about you. Include any details that you feel are important in creating who you are today. This paper should be hand-written, or typed, and should be double spaced. Please staple this cover sheet to the top of your writing assignment.

Projects: (Choose one)

1. Create a PowerPoint presentation about yourself to introduce yourself to the class.
2. Create a poster using pictures and captions that highlight who you are and important things about you.

3. Create a photo book about yourself to share with the class. Be sure to explain each picture.
4. Create a time capsule of important things that show who you are. There should be at least 10 items in the capsule.
5. Create a family tree that goes back to at least your great grandparents. Be ready to talk about your family tree.
6. If you have a great idea for a project that is not on this list, we are open to your options, but please make sure you check in with a teacher first. Thank you!

Grading

Written Work:

- Organization: _____/5
- Spelling and Punctuation _____/5
- Creativity _____/5

Project:

- Quality _____/5
- Creativity _____/5
