

## **Bicycle Rodeo!**

### What is a Bicycle Rodeo?

Students from the Aspen, Laurel and Willow Class, can bring their bicycles from home and participate in an educational program on bicycle safety and repair. We cover the rules of the road, we ride a bicycle agility course, and we have some good old-fashioned FUN!

### What if my child does not have a bike?

No worries! We will have a few loaner bikes and helmets available for them to use.

### What if my child doesn't know how to ride?

We will help them see how fun and easy it is to learn!

### When will it all happen?

Date: Tuesday, June 7, 2011

Time: 8:45-11:45

### Where do I leave the bicycle?

Drive up and teachers will help you unload your child's bike in front of the Aspen Classroom. Don't forget your helmet!

### How can I help with this fun event?

You can help Mrs. Thomas by running a check-point. Let your child's teacher know in advance! Don't forget your running shoes! It's FUN and EASY!

Oh, and don't forget your camera!
