A Note from the Teachers:

The Aspen Class had an amazing start to the school year. In three jam-packed days, we enjoyed multiple community building activities, a review of classroom procedures, and began becoming acclimated to our classroom environment.

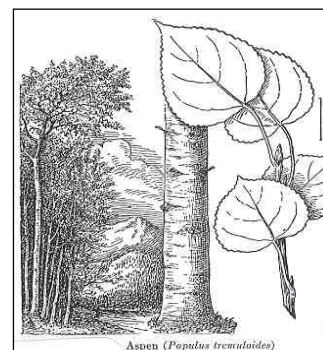

As you may know, the first few weeks of school are devoted to Montessori's Great Lessons, assessments

and review. We will also continue getting to know our students' preferences and personalities. While we are in this time of "Normalization", please note that we will not be following our usual routine. Assuredly, a typical routine will be in place once this period of adjustment has passed.

We are so excited to see all of you tonight at our Back-to-School Night beginning at 6:00pm. We

will be sharing with you how our classroom operates, field trips, opportunities for parent participation, and provide you with a time to express any questions or comments you may have.

Ms. Yarbrough &
Mrs. Fagan

PE Reminders...

Aspen P.E. is on Thursdays and Fridays. Please encourage your student to bring a water bottle, wear supportive athletic shoes and socks, and comfortable clothing suitable for physical activity on these days. Mrs. T is so excited to see students back again and to meet our new students!

Cameron Park Lake Field Trip!

Mark your calendars! Friday, August 26th from 11:30am-7:30pm is our bi-annual Cameron Park Lake 2/3 Family BBQ. This trip provides a spectacular opportunity for students and their families to mingle and get to know our 2/3 community! Mr. Tom will be cooking up hot dogs and veggie dogs with toppings and lemonade.

Each family will be asked to bring a dish to share: casseroles, fruits, veggies, salad, main dishes, or desserts. There will be P.E. games, arts and crafts, as well as our famous "Lego Blanket". Information is available online on the Aspen class page, and will also be sent home in Wednesday folders.
