Maria Montessori's birthday is August 31st!

We will be focusing on her life and educational philosophy with special activities this week!

A Note from the Teachers:

On Friday, August 19th, the Aspen Class assisted with the first School Assembly of the year which focused on the character trait of **respect**.

To continue extending this development of character, we will be presenting scenarios in which the quality of respect should be modeled.

Last week, we worked through our Accelerated Reader assessments. Please continue to read

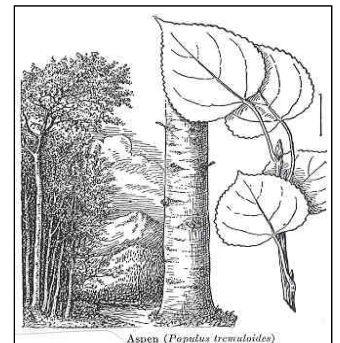

with your child at home and record the book that they are currently reading. Check the provided space on the planner when they have completed the book and remind your child to take an Accelerated Reader Reading Practice Quiz while the book is "fresh in their memory."

Students who have completed multiple books may use a post-it or an attached piece of paper to record book titles and authors.

This week, we will begin working on the Accelerated Math assessments.

It was such a pleasure visiting with our Aspen families during the first field trip of the year. We hope you had a blast at Cameron Park Lake!

Ms. Yarbrough**

A Quote from Maria Montessori

Free the child's potential,
and you will transform him
into the world.

7 Habits of Highly Effective Volunteers

Mrs. Cherie Cooney has prepared a marvelous PowerPoint presentation with new ideas to help parent volunteers feel successful and to know their responsibilities when working in the classroom. There are two opportunities for this presentation:

- Mon., August 29th (3:45-5:00pm)
- Wed., September 7th (6:00-7:15pm)

Technology Night

The following sessions will be offered on **August 31st (6:00-7:30pm)** to share about our technology curriculum:

- Accelerated Reader
- Accelerated Math
- Rosetta Stone
- K to 8 (4th-8th grade)
- Online Textbooks (7th/8th grade)
- AERIES/ABI (7th/8th grade)

Aspen Class Managers

8/29: Claire
9/5: Evan
9/11: Mia
9/18: Joey

For a lovely touch, class managers are asked to please bring in flowers for our table vases.
