This Friday, September 23rd, is our first minimum day for students; yet is an afternoon of staff development for the teachers. Teachers will be attending professional development workshops at the CMP Capitol Campus in Sacramento. Students will be dismissed from class at noon and will be escorted to Club M at 12:15pm. Teachers will be leaving campus immediately after porch to attend this professional development afternoon. We are looking forward to listening to Dr. Betsy Coe from the Houston Montessori Center.

It smelled fabulous in our classroom last Friday as we enjoyed our first popcorn sale of the year and "Food Prep Friday." Thank you to all the families who helped make both of these events a success!

Mrs. Fagan
