(Parents please check
your child's work for
accuracy)
Math: Math 4 Today
(Recommendation: one
row, front and back, per
day)
Reading: 20 minutes per
night; please record in
reading log.

A Note from the Teachers:

The conference sign-up list is on the door in Aspen. We look forward to meeting with you and your child. If you are unable to swing by the classroom to sign up, please be encouraged to call or email us with your days and times of availability so that we may add your names to the list! ☺

Fall is fast approaching and there are reports of rain in the future forecasts. If you have not had a chance to buy slippers for your child yet, please do so as soon as possible. We would like to keep our

carpets as clean and mud-free as possible in honor of students and teachers who choose to work on the floor with materials.

Food Prep Friday has been such a blast. During the first session, sous-chefs whipped up French toast infused with carrot puree which is a source of insoluble fiber. Last week, another group of chefs baked applesauce muffins, complete with a hidden helping of butternut squash, a great source of beta carotene for healthy eyes and skin as well as potassium for heart health! Our food

critics so far have included Mrs. McDaniel, Mrs. Boley, Mr. Tom, and Ms. Witwer. We have enjoyed receiving calls on speaker-phone to hear their reviews. Thank you to all families who have helped contribute ingredients thus far—there are more fun times in the kitchen ahead!

Ms. Yarbrough & Mrs. Fagan

Healthy Snack Idea:

**Cheddar or
string cheese
and a
fresh pear**

Currently in Cultural Rotation:

Art: Simultaneous Contrast/Complementary Colors
in Art

Botany: Parts of a Leaf
