Homework:

World Faire Final Preparations

- Presentation Board
- Please feel invited to bring a snack from your country to share with visitors during this event.

We are looking for parent volunteers to work as "Customs Personnel" during the World Faire. Please contact us if you are interested in volunteering! ☺

A Note from the Teachers:

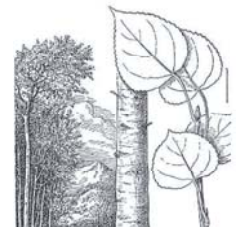

One cannot help but hear their tummies rumble on Wednesday morning with the aroma of pancakes on the griddle (and other scrumptious foods) wafting around the CMP campus. The first Wednesday of the month is hosted by Cedar, followed by Mimosa, Laurel, Aspen, and Willow, respectively. All CMP families are welcome to mingle and enjoy breakfast on these mornings. To participate in these classroom fundraisers, breakfast is \$3.50 per person or \$10 per family.

The Aspen class would like to thank all of the families who participated in the Scholastic Book Faire. We are so excited to "delve into" the books that families have donated to the class and that we have earned through the purchases for your students. If you are looking for a take-home job to help with, we would love help getting these books "shelve ready!"

Creativity's a-buzzing in the Aspen Classroom because Writer's Workshop is in full swing! Last week, students worked on developing

protagonists and antagonists for their novels. After having time to create their character descriptions, students were invited to share a "detail preview" with the class. Everyone is so excited for these stories to come out in print! Stay tuned! ☺
