

CAC Parent Representative

We have a parent opening on our Campus Advisory Council (CAC). If you are interested in applying for the position, please send a statement with some biographical information to Kim Zawilski at kzawilski@cacmp.org by next Wednesday, October 19th.

Based on the number of parents interested in running for this position, an election will take place the following week.

The CAC consists of two parents, two teachers and our school principal.

The CAC meets once a month on the second Tuesday of the month to make recommendations on site improvements, fundraising efforts as well as other school programs.

Thank you in advance for your interest and support!
