

Eucalyptus Class Newsletter February 6, 2012

"Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen."
--Winston Churchill

Eucalyptus Wrestlers

The Eucalyptus class has a number of students that have been participating on the CMP wrestling team this year. Drake, Miles, Torran, and Savanna have all been working real hard and representing our school proudly.

They wrap up their season this weekend with the league finals with the chance for some of our wrestlers to make it to the county finals. If you see any of them around, be sure to tell them "great work!"

Science Research Paper/ Science Fair Project Update

The Eucalyptus students have been working hard on their science research papers. By now the students have completed their outlines and have begun to write their rough drafts. Many have even completed their drafts ahead of time. As we've been helping them organize their information, we have seen a lot of "lights go on" in terms of the writing process.

There has been a wide variety of very interesting topics chosen by our students including: plant and animal systems, electricity and magnetism, weather systems, rocks and minerals, and the solar system just to name a few. Keep up the good work!

Dates to Remember

2/16 Science Fair 3:00-5:00

2/17 No School Friday and Monday

2/20 President's Weekend

3/13 Challenger Field Trip

*Please see School Newsletter for more details.

Person of the Week Eliana C.

Eliana is a very fun-loving student whose favorite activities include: reading, drawing, singing, dancing, and P.E. with Mrs. T. Eliana also enjoys games at home with her family and spending time with her friends.

Missing Green Folders

The Eucalyptus class is missing several green folders. Please check around the house and in cars. If one is found, please return it to class ASAP. Having a folder every Wednesday helps keep the Eucalyptus class organized! Thank you.

Homework

- Spelling and math workbooks in the Friday homework folders.
- On-going preparation for the Science Fair.
