## Welcome to the Eucalyptus Class!

We are very excited to start the school year and are looking forward to meeting you.

### Meet your Teachers:

#### Mr. Anschutz (Mr. A):

This will be my 9<sup>th</sup> year of teaching at CMP, however this will be my first year in a 4<sup>th</sup>/5<sup>th</sup> grade classroom. I have been teaching middle school for 8 years. For the past year I have been enrolled in the Montessori Training Center Elementary I program and will now begin the Elementary II portion.

I am also highly involved in the CMP athletics program as a coach for football and basketball.

Like your children, I also grew up in this community. So I feel that I can relate to the students from that perspective.

Mrs. Placek has worked at CMP for 9 years. She earned her Bachelors Degree from Sacramento State University and has recently completed her Montessori Elementary I Credential and will be pursuing her Elementary II Credential this school year.

Thank you and we hope to meet all of you very soon,
