Yearbook Parent

This year we are looking to have a designated yearbook parent from each classroom who is willing to collect photos throughout the year. Let us know if you are interested in this volunteer opportunity. This parent will work with Janet McCarthy in developing the Eucalyptus yearbook page.

Conference Scheduling

There will be a sign up sheet posted on the Eucalyptus classroom door for parents to sign up for conferences.

If you are unable to make it to the classroom to sign up, please email Mr. Anschutz with your first two choices for day and time. We will do our best to accommodate that request and notify you.

Special Person of the Week Ms. Nora

We are welcoming Ms. Nora to be the special person in our class this week. Nora is in her tenth year at CMP, and as a side note, she has known Mr. A since he was in 4th grade with her son.

Homework

- Spelling and math workbooks in the Friday homework folders.
- Continent Party reports.

Research Report Update

4th-grade students are researching Native California Tribes and 5th-grade students are researching Early European Explorers. They should have their research outline completed and be working on their rough draft. Rough Drafts are due the week of October 7 and final drafts, with the rough draft and packet attached, are due October 14. A creative expression component is due October 17 for World Fair. Please review the research packet with your student and remind them that they will need to spend time working on it outside of the classroom. Copies of the packet are on the website.
