Assertiveness

"Give the world the best you've got. It may not be enough. Do good anyway." – Mother Theresa

Book Reports Due Friday

Just a friendly reminder, this month's book reports are due Friday, October 28th. Students have been reading mysteries.

Cultural Rotations

We would like to inform our families that the 4/5/6 team of teachers has restructured the format of our cultural rotations. We will be streamlining writing and literature into our individual classrooms. Science and history will be provided over four days (two days each) by two teachers per grade level.

Eucalyptus Fundraiser

The week of October 24th through the 30th Suds Car Wash in El Dorado Hills will donate 20% of all CMP related proceeds to the Eucalyptus class. Please help raise some funds for our classroom...spread the word.

Thank you Noelle Gameros for creating this opportunity!
