

Special Person

The following is a list of the Special Person schedule for the year. When it is your child's week they get to feel very special in many ways:

- Bring in snacks to share for morning snack time
- Bring in fresh flowers for table vases
- Bring in any sharing they choose during the week
- Be line leader and morning greeter for the week
- Be circle director for the week
- Receive a coupon for a free homework pass for spelling and current event
- Your birthday will be celebrated on that Friday, not on your actual birth date, in order to keep our schedule consistent. You may bring in a birthday treat to share and pass out at dismissal time on Friday.
