

Fig Class News

January 9th – January 13th 2012

Happy New...

Year!

Our Wild Nights and Holiday Lights Fundraiser at the Folsom Zoo was a HUGE success! Over the course of 13 nights, we raised more than \$1,000 for Fig Class! Thank you to every volunteer!!!

Weekly Planner!

Your child's planner page has a fresh new look this week! It's in keeping with the Montessori philosophy of choice and the important life skill of task/time management. Please take a look and send us your thoughts!

ASL Lessons!

We are so fortunate to have Bernadette Walters volunteering to visit our class each week and teach us American Sign Language! Mrs. Walters has taught ASL at CMP since 1990 and has been signing since 1986. Wow!

Accelerated Math!

The file cabinet is on order and our organizational system has been designed; AM will soon become a weekly independent work choice. Students will be working on diagnostic testing this month, enabling us to assign individual concept practice next month.

Buddies Program!

Cedar is our buddy room! Beginning January 23rd, we will read with them every other Monday morning as well as invite them to our last Friday of the month P.E! Fig students will be excited to hear this news!
